

Parent and Participant Arrival Instructions

Directions:

From Ogden area take Route 84 heading East :

Take the Morgan 103 exit south and follow the route 66 signs to East Canyon Reservoir. After about 10 miles, look for our camp entrance signs on the right-hand side. If you get to the East Canyon Reservoir damn, you have gone about a ½ mile too far.

From Salt Lake City:

Given it is uncertain when Route 65 from Parleys Canyon to East Canyon Reservoir will be free of snow, please consider taking either I-15 north, then 89 north, to Route 84 east through Weber Canyon to the 103 exit for Morgan; or alternatively go from Route 80 East past Echo Canyon Reservoir and then immediately take Route 84 to the Hennifer exit. Follow Route 65 signs to the East Canyon Reservoir and turn right onto route 66. Drive about a mile past the Utah State Park entrance. Our camp entrance will be well marked on your left, about ½ mile past the damn.
